

October 1, 2016

Beloved family in Christ, greetings,

It is hard to believe that 2016 is almost to its end. We are very grateful to the Lord for giving us opportunities to serve and ministry to His glory. We are also grateful for each of you who serve alongside us in some many different ways.

The Iglesia Del Maestro, Bonton, and Vickery congregations were blessed by three of our partner churches who provided new backpacks and school supplies for one hundred and twenty students. Praise our Lord!

As you all know one of my passions and joy, besides preaching the Word of God, has being teaching at The Urban Ministry Institute (TUMI) nationally and internationally. I am blessed to train, equip, and prepare indigenous leaders to continue spreading the seed of the gospel and the kingdom of God in their communities.

I would like to introduce you to Ruben and Yareli. They are TUMI students and members of Iglesia Del Maestro. They have been with us since they were very young. They are now married and with three children. They have had big hearts for this ministry for many years and have grown up to be disciples ready to continue the work of Jesus, in the church where they grew up. Both are leaders of our church. Ruben has accepted the challenge to continue training to become co-pastor of Iglesia Del Maestro until he feels comfortable enough to take over the pastorate.

Yareli, has directed the children's ministry under Sol's supervision and help for the last three years. She has trained another leader to take over this ministry. Sol is now training and coaching her to take over the women's ministry. These changes will give Sol and me freedom to continue ministering and training others to become leaders at Vickery church.

Please pray for our goals and vision for both ministries. And pray for our coming TUMI mission traveling to Mexico and Cuba.

In His precious name
